Dear Rabbi Kalmanowitz:

This is in answer to your letter of
13 April referring to your letter of 29 March
which was acknowledged by the undersigned on
2 April.

The matter referred to in your two
letters is outside the jurisdiction of the
Central Intelligence Agency. As you know,
this Agency does not deal in matters of
policy. Its function is to provide intelli-
gence upon which policy may be made. I note
that copies of both letters were sent to the
Department of State which, I believe, is the
proper department of the Government to take
such action as is possible.

Sincerely yours,

His Excellency
Dwight D. Eisenhower
President, United States
Washington, D. C.

Dear Mr. President,

In connection with my memorandum of March 29, 1954, I would like to add that, according to my observations and the reports of the press, the situation is rapidly deteriorating in the Middle East and becoming more tense daily.

I respectfully submit, therefore, that immediate steps should be taken to forestall any warlike acts on the part of King Saub and Egypt. The plan of the Soviet agents and of former Nazis now in Arab countries to again plunge the world into war, a war not only of conquest but of declared annihilation and total destruction, should not be allowed to be actualized. No arms or other aid should be supplied by the United States to any Arab country guilty of such warlike acts until definite assurances have been provided by them for a permanent peace.

Sincerely yours,

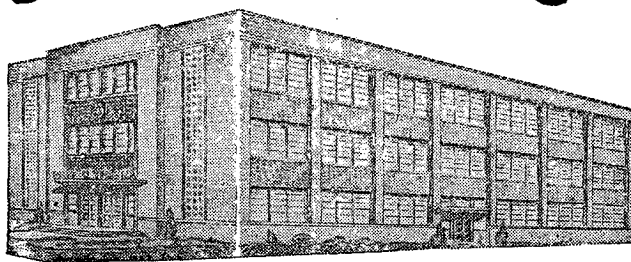

Mirrre Yeshiva Central Institute
